Summary of the complaint

Recently an active US army officer, who is risking his life in defending our country in Iraq has joined my upcoming legal action aimed at unsealing Barack Hussein Obama's aka Barry Soetoro's (Obama/Soetoro) legal status and eligibility/legitimacy for the presidency of the US. I have brought a number of actions, that are now in different stages of litigation, stating that Obama/Soetoro is illegitimate for presidency, as the president needs to be a 'natural born' citizen- one who is born in this country to **parents (plural, both)** who are citizens of this country.

This definition was recently unanimously confirmed by the US senate in Senate resolution 511, presented by Senator Leahy in April 2008, as Senator McCain sought his legitimacy for the presidency to be verified and as Mr. McCain therefore presented his **long version original birth certificate**.

Mr. Obama's father was never a US citizen, he was a citizen of Kenya (a British colony at a time) here in the U.S. on a student visa, which **by itself made Obama ineligible for presidency**, regardless of whether he was born in this

country or Kenya or whether he later lost his US citizenship, while immigrating to Indonesia and obtaining Indonesian citizenship (by being adopted and naturalized), and later **reaffirming his Indonesian citizenship** while traveling on an Indonesian passport as an adult and also most likely obtaining taxpayer funded financial aid as a Foreign Exchange student from Indonesia. (Indonesia did not allow dual citizenship and any US citizenship would therefore have to be relinquished). Additionally Obama/Soetoro's paternal grandmother, Sarah Obama and Ambassador from Kenya Peter Ogego made statements that he was born in Kenya and there is no record of him being born in any hospital in HI. **HI Statute #338** allows **foreign born** children of Hawaiian residents to obtain Hawaiian Certifications of Live Birth (COLB), and those can be obtained based on a statement of one relative only.

Additionally, statements by Ron Polarik and private investigator Jose Barro showed numerous signs of forgery even on the short version COLB, posted by Obama and Forensic Document expert Sandra Line has issued an affidavit, that Obama's place of birth cannot be ascertained without seeing the original birth certificate. Dr. Fukimo, director of Health department for the State of Hawaii, obviously colluded with Obama/Soetoro and issued a statement, that Obama has a birth certificate on file, but intentionally refused to provide clarification, whether it is a birth certificate for a foreign born child of a Hawaiian resident, whether it was prepared based on hospital records or statement of one relative only or whether it is an amended birth certificate, created upon Obama/Soetoro's adoption by Lolo Soetoro, his Indonesian stepfather and showing him a citizen of Indonesia. You can see in the exhibits a copy of a short-form birth certificate supplied by FactCheck (exhibited), changed from **Barack Hussein Obama to Barack Hussein Obama Bin Ladin within 15 minutes and based on that 'garbage' (using Obama's own words) this foreigner was sworn in to be the President, Commander in Chief of all Armed Forces, in charge of our Nuclear weapons.**

Based on these facts the **short version** Certification of Life Birth posted by Obama/Soetoro on his website (exhibited) is totally worthless in proving that he indeed was born in HI, and there is still a need to unseal his long version (vault) birth certificate that is supposed to have corroborating evidence such as a name of the hospital, name of the doctor, three signatures and a seal on the front of the document.

It is my understanding that 42 legal actions were filed in federal courts and probably more in different state courts, seeking proof of Obama/Soetoro's eligibility, Obama/Soetoro has spent hundreds of thousands of dollars on attorney's fees seeking to keep his vital records concealed, attorneys for plaintiffs were harassed and intimidated and the logical question is why? If he was an honest person and had nothing to hide, if he is really legitimate for the presidency, why not show those vital records and move on?

Recently you, Mr. Holder, made a speech, stating that the U.S. is a Nation of 'cowards', as far as the issue of race goes. You might be right on that, as Obama/Soetoro's campaign and administration shamelessly harassed and called everybody, standing up and questioning his legitimacy 'racists', and many of our politicians acted as cowards and backed off. I hope that **you, Mr. Holder, don't act as a coward** and instead verify the above facts, brought forward by me, and **demand Obama/Soetoro's immediate resignation or removal from office due to fraud and Constitutional ineligibility.** National security and national survival depends on your expedient actions, as Obama/Soetoro releases violent terrorists from GITMO, allocates 900 million dollars to Gaza, ruled by radical Hamas terrorists, and signs an Executive Order, that would provide expedient U.S. citizenship and bring hundreds of thousands of Hamas terrorists to this country.

Until now, none of the cases challenging Obama/Soetoro was heard on the merits, as plaintiffs were told that they have no standing. This is the reason, why Officer Easterling is so significant, since he, as an active duty officer, risking his life in Iraq he surely has standing. A campaign of terror, intimidation, defamation and assassination of character of officer Easterling, my character and the character of other plaintiffs has followed. I have received an e-mail from a well-known reporter and writer Devvy Kidd (exhibited), wherein it stated that Officer Easterling created a blog that was very vulgar, that used numerous profanities and racial slurs, and which puts him in a bad appearance in the eyes of the public. This looked very much out of character as he was very respectful in prior conversations with me, so I e-mailed him and received a response that he never had any blogs, and he knew nothing about this blog. I looked at the e-mail address attached and saw that the e-mail address on the blog was not his. He later called and stated that he couldn't even reach this blog from his computer in Iraq and that his sister called from the US equally appalled and upset about this blog. I got a call from Mr. Fred Smart telling me that officer Easterling opened

a Twitter account. I then got information that on this blog the imposter is also “quoting” me, twisting my statements, while defaming my character as well. An article about another plaintiff, Officer Clint Grimes, currently a police officer and previously serving in the Navy, was also twisted, hyperlinks were added. 1st Lt. Scott Easterling responded that he never had any blogs, Twitter, FaceBook, or MySpace accounts. It was clear that someone, supporting Obama/Soetoro, is putting forward a concerted effort to discredit and assassinate the character of officers and other plaintiffs, that are about to testify at trial, and an attorney representing them.

The webmaster for our site, Ms. Lisa Ostella, has posted a warning that impersonating an officer is a crime, punishable by fine and three years in jail and people engaged in this will be found and prosecuted. After this warning, the perpetrators have changed the title name of the Scott Easterling BlogSpot from Scott Easterling to Jaimie Jamison and tried to turn it into a farce. However the crime was already committed and screenshots and witness statements prove it. When this blog was created, it was not created as a satire, and even a reporter with 20 years of experience, such as Devvy Kidd, believed it to be a real blog created by Officer Easterling. I therefore demand that your office investigate and prosecute this matter immediately.

Similarly, Obama/Soetoro supporters have used Cyber space previously, in order to misinform and defraud American citizens and commit voter fraud. On November 3rd, a day before the National elections, when numerous voters questioned Obama/Soetoro’s Natural Born status and his refusal to provide his long version birth certificate, an article appeared on the Internet, stating that a Virginia Judge has reviewed Obama/Soetoro’s original birth certificate and found it to be valid, Obama/Soetoro to be a Natural Born citizen and all legal actions to be frivolous (exhibited). This whole case was manufactured and cyber space was used to defraud American citizens and dampen the enthusiasm of McCain voters and somebody has paid a huge amount of money to do so, as this article appeared in the top position with each and every search engine, as voters were entering the search words of “Obama birth certificate” This article was copied, posted and reposted, but we have traced this article to one person going by the name of ‘Wild Bill’. Significant is the fact that a Mr. Bill Burkett, known to have provided allegedly forged documents to Dan Rather was reportedly hired by the Obama/Soetoro campaign a few months earlier. It was not clear if Mr. Burkett was involved or was hired as a fall guy, in case the whole issue of reportedly forged documents blows up. It is imperative that the Justice department investigate this matter expeditiously, and ascertain if this matter of cyber crimes can be traced to the Obama/Soetoro campaign and Mr. Obama/Soetoro himself.

One day after the inauguration somebody erased from the exterior docket of the Supreme Court all mention of my case Lightfoot v. Bowen (attached), even though it was scheduled to be heard in 2 days in a conference of the full Supreme Court (exhibited). Dozens of people then called the Supreme Court and the case was re-entered. Nobody in the Supreme Court could provide an explanation to this event.

Similarly, an article about me and my case before SCOTUS was deleted from Wikipedia (attached). A source of deletion was traced to a person, claiming to be a tax lawyer, who had a site for lawyer referral service. As I clicked on the link, it showed a flashing sign in Arabic. I posted it on my blogsite, and asked if someone can translate. The translation stated that it was a banner link showing the hanging of Saddam Hussein.

At the same time I was driving to pick up one of my children from school and a tire suddenly blew out on my car. Luckily, my children, my family was not in the car, but I have ended up with persistent back pain.

When around the same time one gets her case erased from the docket of the Supreme Court and Wikipedia, a tire blows out on her in a car, and a link with a sign in Arabic about somebody’s hanging appears, one begins to feel threatened. I believe all of the occurrences have to do with my investigation not only in the area of Obama/Soetoro’s ineligibility for the Presidency, but also in the financial dealings of Barack and Michelle Obama. Please see attached a list of over a 100 addresses for Barack Obama and 100 business addresses for Michelle Obama. These are addresses obtained from a private investigator and an intelligence service. Obama/Soetoro’s addresses are connected to numerous different social security numbers. Michelle Obama’s addresses are from numerous media organizations that show her being employed by many major media outlets, including CBS and CNN, and some peculiar ones such as Gay News, Muslim World Today in CA, and even the FCC. These financial dealings have to be investigated

immediately, since most main-stream media outlets refused to provide any honest account of Obama/Soetoro's lack of eligibility for presidency.

As a private citizen I cannot complete this investigation. However you, as the Attorney General, together with FBI, the IRS, the Secret Service, and local law enforcement, can, and have an obligation to, complete it. I would be willing to complete this investigation, if you are willing to grant me a status of a relator-special prosecutor. None of these 130 positions listed for Michelle and Barry or Barack H. Obama were listed on their disclosed tax returns. There has to be a corresponding search for each and every employer that is listed. If those were salaried positions, then there is massive tax fraud. And if those were campaign contributions over the allowed limits, then there is massive campaign contributions fraud, especially in light of over \$300 million in contributions that are unaccounted for. Which is it? What social security numbers were used? As you have stated in your speech on Martin Luther King Day, Americans should not be 'cowards', particularly when matters of race are concerned. I was not a coward and prepared this documented dossier, so I hope you will not be a coward and instead order an expeditious completion of this investigation and its subsequent prosecutions.

Sincerely,

My post about officer Grimes (if you go to Scotteasterling.blogspot.com you will find this article altered with different hyperlinks included)

OFFICER GRIMES JOINS THE MILITARY ACTION

Officer Grimes served in the Navy and currently is a police officer. As many of my readers know, I have a dual degree, being both a dentist and an attorney. Mr. Grimes and his family have been patients of mine. I was accused of being a racist and filing this case because I have an ax to grind, which is a total defamation of my character. Many of my patients are of different racial and ethnic background. I speak Spanish and many of my patients are Hispanic. A number of my legal clients in this action are of different ethnic background. One of them, Ambassador Dr. Keyes was seen on TV recently and he is African-American. This has nothing to do with race. It has to do with concealment of vital records, with massive fraud of American citizens, with Mr. Obama/Soetoro spitting in the face of each and every law abiding US citizen and arrogantly refusing to provide his vital records. It has to do with my deep concern in regards to our National security, when a foreign National, citizen of Indonesia and Kenya is sitting in the White House and making extremely dangerous decisions, releasing known terrorists from GITMO, giving 900 million to Gaza, when we are in the midst of depression, owing 85 trillion dollars, and while Gaza is run by the most violent, radical organization Hamas, whom Obama decided to bring to this country through expedited immigration procedures. Orly

Dr. Taitz,

My consent form is attached. Thank you for allowing me to be a part of this lawsuit. I was dismayed from the beginning at the attitude of Barack Obama towards us who wear the uniform. He accused me and my brothers and sisters in arms of "air raiding villages and terrorizing civilians" in Iraq.

I have commented many times that he (Barack Obama) would not be able to pass the background check to be a Naval Officer or a Police Officer. Additionally he does not support HR 218 which allows me to be able to protect myself and my family. I could go on and on. For the last 25 years I have painstakingly presented numerous documents over my police and Navy careers. If he a US citizen, presenting his birth certificate should be no problem. I believe that knowing that the person at the top of the military and law enforcement chains of command is eligible to hold the office is a reasonable request.

Very Respectfully,

Clint Grimes

DEFEND OUR FREEDOMS FOUNDATION

To defend the rights and freedoms that exist for all citizens in the United States

To Any and All Interested Parties,

As an active-duty Officer in the United States Army, I have grave concerns about the constitutional eligibility of Barack Hussein Obama to hold the Office of President of The United States. He has absolutely refused to provide to the American public his original birth certificate, as well as other documents which may prove or disprove his eligibility. In fact, he has fought every attempt made by concerned citizens in their effort to force him to do so.

Until **Mr.** Obama releases a "vault copy" of his original birth certificate for public review, I will consider him neither my Commander in Chief nor my President, but rather, a usurper to the Office - an impostor.

My conviction is such that I am compelled to join Dr. Orly Taitz's lawsuit, as a plaintiff, against Mr. Obama. As a citizen, it pains me to do this, but as an Officer, my sworn oath to support and defend our Constitution requires this action.

I joined the Army at age 40, after working in Iraq as a contractor with KBR in '05/'06. I chose to work with KBR to support my troops and then left that lucrative position when the Army raised it's maximum enlistment age to 40. Upon completion of Basic Training, I entered Officer Candidate School and commissioned as a 2LT in August 2007. After completing the subsequent Basic

Officer Leadership courses, I was assigned to Ft. Knox and shortly thereafter deployed to Balad, Iraq. I was promoted to 1LT on Feb. 2, 2009 and I have approximately five months remaining of our fifteen month deployment.

I implore all Service-members and citizens to contact their Senators and Representatives and demand that they require Mr. Obama prove his eligibility. Our Constitution and our great nation must not be allowed to be disgraced.

Very Respectfully

Orly:

Someone needs to talk to Scott Easterling about his public image.

He is coming off more like a loose cannon every day on his web site and that is bad.

It's okay for machismo, but his postings are a very poor reflection on him as an officer, even a junior grade one. Free speech I defend to the end, but his language and comments are a big turn off and it will turn off potential allies who could be very important down the line.

Example:

"And to you CLOWNS out there spewing the hate mail: Get a life. I have the right to "throw my career away," just as you have the right to lick the balls of the new black Santa. Have it your way. This world is winding up for a whipping. You know it, so do I."

"...lick the balls of the new black Santa"? My, God.

I wish I could recommend his web site, but I won't. Not until he cleans up all the profanity and terrible statements like the one above. The media will grab that kind of grossness as fodder to make him out to be an idiot.

"The militias are gearing up now. Smarter. Quieter. Should be [interesting](#)."

We (as in people like Dr. Edwin Vieira) trying to get a few of the state legislatures to reconstitute the organized militia as mandated by the Second Amendment. Scott's rhetoric is just the kind of stuff DHS, the FBI and ATF love. Then they start trying to entrap people.

I went over Sen. Shelby on my radio show the last two nights. Contact him, etc. It appears he's trying to distance himself what what he said. Typical gutless politician.

A couple of people I know are in his part of the state and they're also conducting a polite campaign to get Shelby to go rent a bucket of guts and get with the program.

You are doing a wonderful job for our country, Orly. Thank you.

Oh, dear.

Here is the site. If it's not his, someone has certainly done an amazing amount of work on it.

Scott needs to run this down and sue who ever it is because like I said, the language and inflammatory speech is pretty bad.

Under the second prong of the Initiative...companies bring IP violations to the attention of law enforcement. We have developed an "industry referral form" that identifies the key types of information we need to investigate and prosecute criminal IP cases. By providing law enforcement, at the earliest stages, with key information that goes to each element of the criminal IP statutes, we can streamline the referral process and use the limited resources of law enforcement and industry in the most effective manner possible.

My client, 1st Lt. Scott R. Easterling, appears to be a victim of an individual(s) who are "Impersonating a Military Officer" by use of his name and picture and posted on the worldwide web; libeling his reputation and identity in the following url's and email account:

Impersonating a military officer is a crime under 18 U.S.C. § 912, which states that it is illegal for a person to falsely assume or pretend to be an officer of any department of the United States and while doing so, either act as an officer or obtain any money because of it. Violating section 912 can be punished with a fine, imprisonment for up to three years, or both.

This screenshot shows the top portion of the Washington Times website. At the top left is the 'wgn LAS VEGAS' logo. The main header features 'The Washington Times' in a large, stylized font, with navigation links for 'Home', 'News', 'Voices', 'Sports', 'Culture', 'Themes', 'Communities', 'Marketplace', and 'Media'. A search bar and the date 'Feb 26, 2009' are also visible. The article title 'Key witness in passport fraud case fatally shot' is prominently displayed, along with the date 'Saturday, April 19, 2008'. The article text begins with 'A key witness in a federal probe into passport information stolen from the State Department was fatally shot in front of a District church, the Metropolitan Police Department said yesterday.' To the right of the article is a large advertisement for the '2009 NATIONAL INFRASTRUCTURE CONFERENCE' held on March 4, 2009, at JW Marriott Washington, DC, presented by Terex. On the far right is a vertical advertisement for the 'New 2009 YARIS' with a 'CASH BACK FROM TOYOTA' offer of up to \$1500. The browser interface shows 'Washington Times - Key witness in passport frau...' in the address bar.

This screenshot shows the continuation of the article from the previous image. The text continues: 'Lt. Quarles Harris Jr., 24, who had been cooperating with a federal investigators, was found late Thursday night slumped dead inside a car, in front of the Judah House Praise Baptist Church in Northeast, said Cmdr. Michael Anzallo, head of the department's Criminal Investigations Division. Cmdr. Anzallo said a police officer was patrolling the neighborhood when gunshots were heard, then Lt. Harris was found dead inside the vehicle, which investigators would describe only as a blue car. Emergency medics pronounced him dead at the scene. City police said they do not know whether his death was a direct result of his cooperation with federal investigators. "We don't have any information right now that connects his murder to that case," Cmdr. Anzallo said. Police say a "shot spotter" device helped an officer locate Lt. Harris. A State Department spokeswoman yesterday declined to comment, saying the investigation into the passport fraud is ongoing. The Washington Times reported April 5 that contractors for the State Department had improperly accessed passport information for presidential candidates Sens. Hillary Rodham Clinton, Barack Obama and John McCain, which resulted in a series of firings that reached into the agency's top ranks. One agency employee, who was not identified in documents filed in U.S. District Court, was implicated in a credit-card fraud scheme after Lt. Harris told federal authorities he obtained "passport information from a co-conspirator who works for the U.S. Department of State.'" Below the article text are social media links for 'Twitter | MySpace | Facebook' and a 'Get Answers From the Community' button. A 'Media Block' section lists several video clips, including 'Inside Politics (Feb. 26, 2009)', 'Big Name Missing From CPAC', 'Two Guys in a Newsroom - Feb...', 'Morning Briefing', and 'Liz Glover: "An American Affair"'. At the bottom, a 'The Top 10' list is displayed, with the first item being '1 Clooney gets W.H. promises on Darfur'. The browser interface shows the full URL in the address bar.

Clinton Joins Easterling Suit

The snowball is growing.

Officer Clinton Grimes served in the Navy and currently is a police officer. As many of my readers know, I have a dual degree, being both a dentist and an attorney. Mr. Grimes and his family have been patients of mine. I was accused of being a racist and filing this case because I have an ax to grind, which is a total defamation of my character. Many of my patients are of different racial and ethnic background. I speak Spanish and many of my patients are Hispanic. A number of my legal clients in this action are of different ethnic background.

One of them, Ambassador Dr. Keyes was seen on TV recently and he is African-American. This has nothing to do with race. It has to do with concealment of vital records, with massive fraud of American citizens, with Mr. Obama/Soetoro spitting in the face of each and every American citizen.

127 Tank Commanders Join Easterling

Army Times - It's a great day for Scott Easterling. As he awoke this morning, he saw no fewer than 127 Iraqi tanks outside his desert barracks. "We're here to defend Lieutenant Easterling against the upcoming inquisition," said Major General Abdul Gohed an Tryatt, chief of the carefully aligned array, "Scott's courage and example show us all how to respond to the Kenyan Invasion of the White House." The Iraqi soldiers are hoping to obtain bowel samples from the alleged-American President.

1 Corinthians 14:8

We have a malfunctioning society led by an impotent government. Budgets will soon be slashed in nearly every County. When critical mass is reached, most likely by July 2009, expect troops in the five major metropolitan areas of America. If these troops fail to control looting and arson, expect a breakdown of communication, distribution, transportation and business pathways.

The time has come for families to prepare to meet a period of scarcity and bloodshed.

Those who do not put away food, water and sturdy clothing will become desperate. When a nation becomes desperate, Martial Law is instituted. Shoot-to-kill orders are issued. Curfews are instituted. Normal routines are disrupted by exaggerated fears. Reverence for life, property and privacy diminishes. Neighbors disappear.

When commodities become out of reach, the spiraling down into a vector of hatred and violence grows as naturally as weeds. Internationally.

dr_taitz@yahoo.com

To:

Dr. Taitz,

I came up with a possible ID of the person who either set up the Easterling blog or knew who did. This is how I arrived at it.

The earliest post on the blog is dated Feb 24, 2:27 PM which suggests that is when it was set up.

I did a Google search on scotteasterling.blogspot.com/ and came up with the following site:

[http://www.exmormon.org/boards/w-
agora/download_thread.php?site=exmobb&bn=exmobb_recovery&thread=1235590329#N1235601464](http://www.exmormon.org/boards/w-
agora/download_thread.php?site=exmobb&bn=exmobb_recovery&thread=1235590329#N1235601464)

There is a post on there:

Subject: I don't think there's an imposter under every rock...

Date: Feb 25 17:37

Author: shadowdoubt

Mail Address: cecil.jacobson@ymail.com

Be positive. The world isn't as shallow as you perceive. There are fine people everywhere, if you have but eyes to see with. <http://scotteasterling.blogspot.com/> Try to look deeper.

Now you notice this was posted on Feb 25. at 5:37 PM. That means that the site was only up for a little over 24 hours. That isn't even long enough to get it listed in the search engines. Therefore, in order to reference that site on a blog, you must have either created it yourself, or known the person who did.

Thus, the email cecil.jacobson@ymail.com is a start. The name could be Cecil Jacobson or Celcilia (Celcila) Jacobson. I habve not researched any of these names yet but will let you know if I come up with anything.

Mike

To:
dr_taitz@yahoo.com

I have a feeling that the Cecil Jacobson is a fake name. However, he is using a ymail account which is owned by Yahoo. Also, if you look at all the posters on his page , it is one person, so it has to be the creator of the page. He calls himself Pope Benedict XVI. If you look at the profile of "him", you see the e,mail adress he uses is scotteasterling@rocketmail.com. You can view it here:

<http://www.blogger.com/profile/08842224876234151332>

Now rocketmail is also owned by Yahoo. Now as an attorney, you should be able to send a letter to Yahoo requesting the IP address and other such info of the person who set up those email accounts. I am sure what he is using them for is a violation of their terms of service which they agreed to when signing up.. The same holds true of Google (owners of Blogspot).

Part of Yahoos Terms of Service:

We believe it is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Yahoo!'s terms of use, or as otherwise required by law.

Another Obama Camp scam?

When I first read about the Virginia lawsuit claiming Obama is ineligible and the subsequent ruling by the judge, it did not smell right. I have reread the excerpts placed on the internet and after much thought and deciding that I had to read the Petition and the judges ruling, I searched for a record of the filing and hearing on the official Virginia Courts website. I did extensive searching by names and dates and found nothing. After much searching, I called the clerk of court's office. I was told that several people had called inquiring about the case and they could find no record of any case.

Internet accounts of alleged Petition and judge ruling

So, who is Wild Bill?

"Great News

written by Wild Bill, October 22, 2008

The Virginia lawsuit (actually a Petition for Writ of Mandamus) was filed today. Ironically, we almost missed filing and serving due to the thousands of people downtown today to see Obama speak. In even better news, the Honorable Walter W. Stout III, the chief judge, granted our motion for an emergency hearing and set a briefing schedule. We were required to serve the Board of Elections a copy of the schedule today (which we did). We must file our brief and all supporting evidence on Friday. The Board of Elections has until the 28th to file a response.

We may file a reply on the 29th and the hearing will be held on the 30th at 1:30p.m.

We did send copies of the suit and orders to the local media, but unlike some people, we are more interested in pursuing the legal battle, not whoring ourselves out to the media. For that same reason we are not setting up a website or soliciting donations.

We will let you know how things progress."

So, where did this come from?

"Virginia State Court Dismisses Action Challenging Obama's Eligibility to be President
The November 03, 2008 regarding the Virginia State Court Dismissal Action Challenging Obama's Eligibility to be President is not the result of a conspiracy, nor is it the result of a biased or unprincipled judge. I would hope all patriotic Americans would feel the same way and avoid making unfounded scurrilous remarks about the judge or the judicial system.

(ObamaCrimes.com)

Review:

There are two parts – first the response on the State’s argument that the Board of Elections is not responsible for vetting candidates for president, second the issues we raised regarding Mr.

Obama’s citizenship.

[Part 1: State’s argument that the Board of Elections is not responsible for vetting candidates for president] With respect to the first part, the judge noted that in a presidential election, unlike any other election, the electorate votes for a slate of electors, not directly for the presidential candidates. The judge noted that there is no question that all of the proposed VA electors are qualified to hold that position (a position we never contested). The judge recognized the problem with this is that perhaps there is no entity that is responsible for vetting the presidential candidates. Some on this site have argued that the DNC is responsible for vetting their candidates. There is no legal support for that argument. The judge held that the Constitutional requirements for a presidential candidate are to be determined solely by the congress in session when the electoral votes are cast.

The court cited Federal legislation further details the process for counting electoral votes in Congress. 3 U.S.C. 15. Section 15, which directs that Congress shall be in session on the appropriate day to count the electoral votes, with the President of the Senate presiding. It directs that designated individuals shall open, count and record the electoral votes, and then present the results to the President of the Senate, who shall then “announce the state of the vote.” The statute provides a mechanism for objections then to be registered and resolved:

“[e]very objection shall be made in writing, and shall state clearly and concisely, and without argument, the ground thereof, and shall be signed by at least one Senator and one Member of the House of Representatives before the same shall be received. When all objections so made . . . shall have been received and read, the Senate shall thereupon withdraw, and such objections shall be submitted to the Senate for its decision; and the Speaker of the House of Representatives shall, in like manner, submit such objections to the House of Representatives for its decision.”

Thus the court denied the motion for a writ of mandamus and dismissed the petition. As I mentioned earlier, this was the argument that I think the State had the best chance on and it strikes me as correct. Much as the membership of the Senate is controlled by the senate (see, e.g. the senator Stevens discussion), the constitution places the power to determine presidential eligibility on the congress.

Based on this, our real battle should be to contact our representatives and senators and make certain that an objection is brought at the time of the counting of the electoral votes. Remember, this will be the new congress, so wait until Wednesday when you know who your new representatives and senators are.

The Court could have ended there, but it went beyond this initial holding and addressed our other arguments (this is not uncommon – just as lawyers often make alternate arguments, courts regularly provide alternate holdings in case one is rejected).

[Part 2: issues we raised regarding Mr. Obama’s citizenship]

The Court made the following findings:

1. The Certification of Live Birth presented to the court is unquestionably authentic. The court noted that the certification had a raised seal from the state of Hawaii, had a stamp bearing the signature of the registrar of vital statistics. The court found “wholly unpersuasive” any of the internet claims that the birth certificate was altered in any way. Furthermore, the document itself

was accompanied by an affidavit from the State Health Director (of Hawaii) verifying that the document is an authentic certification of live birth.

The court held that there could be no doubt that the document was authentic unless one believed that the state of Hawaii's health department were in on an elaborate and complex conspiracy – and that there is not a shred of evidence that this is the case.

2. The Certification of Live Birth establishes that Mr. Obama is a natural born citizen. The affidavit of the State Health Director states that the information on the CLOB is identical to the information on the “vault” copy of the birth certificate, and that both documents establish that Mr. Obama was born in Honolulu. The Court noted that the CLOB is valid for all citizenship purposes. The court noted our argument that the COLB is not valid for determining citizenship, but referred us to Hawaiian law that states otherwise. “There is no difference between a certificate and a certification of live birth in the eyes of the state. For instance, either can be used to confirm U.S. citizenship to obtain a passport or state ID.” The court found that Hawaiian law makes the COLB valid for all purposes with the exception of determining native Hawaiian heritage for certain state and federal benefits. The court held that if Mr. Obama were born elsewhere and the birth registered in Hawaii, the “place of birth” line on the COLB would reflect that fact. The court stated that there could be no doubt that Mr. Obama was born in Hawaii and that any argument to the contrary was fanciful and relied on completely unsubstantiated internet rumors.

3. For that reason, 8 U.S.C. §1401(g), which at the relevant time provided as follows: “The following shall be nationals and citizens of the United States at birth: ***(g) a person born outside the geographical limits of the United States and its outlying possessions of parents one of whom is an alien, and the other a citizen of the United States who, prior to the birth of such person, was physically present in the United States or its outlying possessions for a period or periods totaling not less than ten years, at least five of which were after attaining the age of fourteen years:.....is irrelevant to this matter, as Mr. Obama was conclusively born in Hawaii.

4. Mr. Obama did hold dual citizenship in the U.S. and Kenya until he became an adult. When Barack Obama Jr. was born Kenya was a British colony. As a Kenyan native, Barack Obama Sr. was a British subject whose citizenship status was governed by The British Nationality Act of 1948. That same act governed the status of Obama Sr.'s children: “British Nationality Act of 1948 (Part II, Section 5): Subject to the provisions of this section, a person born after the commencement of this Act shall be a citizen of the United Kingdom and Colonies by descent if his father is a citizen of the United Kingdom and Colonies at the time of the birth.” In other words, at the time of his birth, Barack Obama Jr. was both a U.S. citizen (by virtue of being born in Hawaii) and a citizen of the United Kingdom by virtue of being born to a father who was a citizen of the UK. Obama's UK citizenship became a Kenyan citizenship on Dec. 12, 1963, when Kenya formally gained its independence from the United Kingdom. The court noted that Chapter VI, Section 87 of the Kenyan Constitution specifies that:

1. Every person who, having been born in Kenya, is on 11th December, 1963 a citizen of the United Kingdom and Colonies or a British protected person shall become a citizen of Kenya on 12th December, 1963...

2. Every person who, having been born outside Kenya, is on 11th December, 1963 a citizen of the United Kingdom and Colonies or a British protected person shall, if his father becomes, or would but for his death have become, a citizen of Kenya by virtue of subsection (1), become a citizen of Kenya on 12th December, 1963.

Thus the court held that as a citizen of the UK who was born in Kenya, Obama's father

automatically received Kenyan citizenship via subsection (1). So given that Obama qualified for citizen of the UK status at birth and given that Obama's father became a Kenyan citizen via subsection (1), thus Obama did in fact have Kenyan citizenship in 1963.

However, the court further held that the Kenyan Constitution prohibits dual citizenship for adults. Kenya recognizes dual citizenship for children, but Kenya's Constitution specifies that at age 21, Kenyan citizens who possesses citizenship in more than one country automatically lose their Kenyan citizenship unless they formally renounce any non-Kenyan citizenship and swear an oath of allegiance to Kenya. The court held that there was no evidence that Mr. Obama has ever renounced his U.S. citizenship or sworn an oath of allegiance to Kenya, his Kenyan citizenship automatically expired on Aug. 4, 1982.

The court held that there was no legal requirement that Mr. Obama renounce his Kenyan citizenship or affirm his U.S. citizenship in order to maintain his status as a natural born citizen.

5. Mr. Obama did not lose his U.S. Citizenship based on the acts of his parents, including adoption by an Indonesian citizen. The Court held that no action taken by the parents of an American child can strip that child of his citizenship. The court cited to the 1952 Immigration & Nationality Act, Title III, Chapter 3, Sections 349 and 355, which was in effect in the late 1960s when Obama went to Indonesia, and which stated that a minor does not lose his US citizenship upon the naturalization of his parents or any other actions of his parents, so long as the minor returns to the US and establishes permanent US residency before the age of 21. Thus the adoption of Obama did not serve to strip him of his U.S. citizenship. The fact that Indonesian law does not allow dual citizenship is irrelevant, as U.S. law controls. Furthermore, the Court held that traveling on a foreign passport does not strip an American of his citizenship. The Court noted first that there was no evidence that Mr. Obama traveled on an Indonesian passport (Mr. Berg and others we reached out to for evidence never provided any evidence of this claim or any other of the claims we could have used some proof of.) Nonetheless, the court held that such travel does not divest an American of his citizenship.

The Court makes other holdings and findings that I won't bother you with here. Needless to say, the decision is wholly against us. The court finds the claims against Mr. Obama's citizenship "wholly unpersuasive and bordering on the frivolous, especially in light of the complete absence of any first-hand evidence on any critical issue" and further classifies it as "conspiracy theory of the lowest sort, fueled by nothing than internet rumor and those who truly want to believe egging each other on."

And what prompted Lan Lamphere to state the following?

"There is no need to file a lawsuit against Barack Obama. No court will ever hear it and no committee will ever act on it even if it was won." - Lan Lamphere

RE: WILD BILL CASE

I too believe that this case is a “fake case” based on the following:

1. I conducted multiple searches for the case at <http://wasdmz2.courts.state.va.us/CJISWeb/circuit.html> — Using a variety of names, including Board of Elections, Elections, Election, etc. — and no case was reported.
2. I contacted Judge Stout’s Office (the judge in the case, per Wild Bill. (Info at <http://www.courts.state.va.us/courts/circuit/Richmond/home.html>). The clerk there could find no record of the case in the docket.
3. I contacted two local Richmond newspapers, with all the info available. There was no subsequent report on the case. Given that at least local news has reported on all similar cases, I find it very hard to believe that local Richmond news would not report on such a substantial opinion.

While you and I may have drawn different conclusions about the “facts,” I believe that we both seek the truth and, therefore, provide this research - which you can verify yourself - for your consideration.”

**SELECTIVE SERVICE FORM PROBLEMS:**

**FREEDOM OF INFORMATION ACT** *(source: Debbie Schlusel):*

Did President-elect Barack Hussein Obama commit a federal crime in September of this year? Or did he never actually register and, instead, did friends of his in the Chicago federal records center, which maintains the official copy of his alleged Selective Service registration commit the crime for him?

It's either one or the other, as indicated by the release of Barack Obama's official Selective Service registration for the draft. A friend of mine, who is a retired federal agent, spent almost a year trying to obtain this document through a Freedom of Information Act request, and, after much stonewalling, finally received it and released it to me.

But the release of Obama's draft registration and an accompanying document, posted below, raises more questions than it answers. And it shows many signs of fraud, not to mention putting the lie to Obama's claim that he registered for the draft in June 1979, before it was required by law.

The official campaign for President may be over. But Barack Obama's Selective Service registration card and accompanying documents show that questions about him are not only NOT over, but if the signature on the document is in fact his, our next Commander-in-Chief may have committed a federal crime in 2008, well within the statute of limitations on the matter. If it is not his, then it's proof positive that our next Commander-in-Chief never registered with the Selective Service as required by law. By law, he was required to register and was legally able to do so until the age of 26.

But the Selective Service System registration ("SSS Form 1") and accompanying computer print-out ("SSS Print-out), released by the Selective Service show the following oddities and irregularities, all of which indicate the document was created in 2008 and backdated:

**\* Document Location Number Indicates Obama Selective Service Form was Created in 2008**

First, there is the Document Location Number (DLN) on the form. In the upper right hand corner of the Selective Service form SSS Form 1, there is the standard Bates-stamped DLN, in this case "0897080632," which I've labeled as "**A**" on both the SSS Form and the computer printout document. On the form, it reflects a 2008 creation, but on the printout, an extra eight was added in front of the number to make it look like it is from 1980, when it was actually created in 2008.

As the retired federal agent notes:

Having worked for the Federal Government for several decades, I know that the standardization of DLNs have the first two digits of the DLN representing the year of issue. That would mean that this DLN was issued in 2008. The DLN on the computer screen printout is the exact same number, except an 8 has been added to make it look like it is from 1980 and give it a 1980 DLN number. And 1980 is the year Senator/President Elect Obama is said to have timely registered. So, why does the machine-stamped DLN reflect this year (2008) and the DLN in the database (which was manually input) reflect a "corrected" DLN year of 1980? Were all the DLNs issued in 1980 erroneously marked with a 2008 DLN year or does the Selective Service use a different DLN system than the rest of the Federal Government? Or was the SSS Form 1 actually processed in 2008 and not 1980?

It's quite a "coincidence" . . . that is, if you believe in coincidences, especially in this case.

Far more likely is that someone made up a fake Selective Service registration to cover Obama's lack of having done so, and that the person stamping the form forgot (or was unable to) change the year to "80" instead of the current "08". They either forgot to fake the DLN number or couldn't do so.

And guess where the Selective Service registrations are marked and recorded? Lucky for Obama, it's his native Chicago. From an article entitled, "Post Office Registration Process", on the Selective Service website:

When a young man reaches 18 he can go to any of the 35,000 post offices nationwide to register with Selective Service. There he completes a simple registration card and mails it to the Selective Service System. This begins a multi-step process which results in the man's registration.

Each week approximately 6,000 completed registration cards are sent to the **Selective Service System's Data Management System (DMC) near Chicago, Ill.** At the DMC these cards are grouped into manageable quantities. **Each card is then microfilmed and stamped with a sequential document locator number.** The processed microfilm is reviewed to account for all documents and to ensure that the film quality is within strict standards. After microfilming, the cards are keyed and then verified by a different data transcriber.

The Document Locator Number (DLN) is an automatic function (Selective Service record-keeping, specifically the DLN is described on pages 7-8 of [this Federal Register document](#)), with the first two digits comprising the year, and it was not changed to "08" in error. So if the form was filed and processed in 1980, how did it get a 2008 DLN?!

**\* Obama's Selective Service Registration Form is Apparently 1990 Form Altered to Appear Like 1980 Form**

On the SSS Form 1, in the lower left hand corner is the form number (SSS Form 1) and the month and year version of the form, labeled as "B". On this particular Form 1, it clearly shows the month as "FEB" (February), and the year is either "80" or "90". The retired federal agent investigated further:

Magnification of the form both physically (with a 10x glass) or with different image software does not reflect a clear cut result of either a "80" or a "90".

But, checking the history of SSS Form 1 (see [http://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=198002-3240-001#](http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=198002-3240-001#)), it's apparent that in February 1980, the Selective Service agency **withdrew a "Request for a new OMB control number" for SSS Form 1** (see also, [here](#))--meaning the agency canceled its previous request for a new form, and one was never issued in "FEB 1980".

Since under the Paperwork Reduction Act of 1980, Pub. L. No. 96-511, 94 Stat. 2812 (Dec. 11, 1980), codified in part at Subchapter I of Chapter 35 of Title 44 a federal agency can not use a form not approved by OMB (Office of Management and Budget), it's nearly impossible for Senator/President-Elect Obama's SSS Form 1 to be dated "Feb 1980." And since that makes it almost certainly dated "Feb 1990," then how could Barack Obama sign it and the postal clerk stamp it almost ten (10) years before its issue?! Simply not possible.

The lower right hand corner reflects that the Obama SSS form 1 was approved by OMB with an approval number of 19??0002, labeled as "C". The double question marks (??) reflect digits that are not completely clear.

**\* Barack Obama's Signature is Dated After Postal Stamp Certifying His Signature**

Barack H. Obama signed the SSS Form 1's "Today's date" as **July 30, 1980**, labeled "D". But the **Postal Stamp** reflects the PREVIOUS day's date of **July 29, 1980**, labeled "E". Yes, Obama could have mistakenly written the wrong date, but it is rare and much more unlikely for someone to put a future date than a past date. (Also note how Barry made such a "cute" peace sign with the "b" inside the "O" of his signature. Touching.)

**\* Postal Stamp is Incorrect, Discontinued in 1970**

Then, there is the question as to whether the Postal Stamp is real. The "postmark" stamp--labeled "E"--is hard to read, but it is clear that at the bottom is "USPO" which stands typically for United States Post Office. However, current "postmark" validator, registry, or round dater stamps (item 570 per the Postal Operations Manual) shows "USPS" for United States Postal Service. The change from Post Office to Postal Service occurred on August 12, 1970, when President Nixon signed into law the most comprehensive postal legislation since the founding of the Republic--Public Law 91-375. The new Postal Service officially began operations on July 1, 1971.

Why was an old, obsolete postmark round dater stamp used almost ten (10) years after the fact to validate a legal document . . . that just happened to be Barack Obama's suspicious Selective Service registration form?

**\* Form Shows Barack Obama didn't have ID**

The SSS Form 1 states "NO ID", labeled "F". Since that's the case, then how did the Hawaiian postal clerk know that the submitter was really Barack H. Obama, who may have been on summer break from attending Occidental College in California. How would they determine whether the registrant was truly registering and not a relative, friend, or other imposter?

**\* The Selective Service Data Mgt. Center Stonewalled for Almost a Year on Obama Registration, Until Right Before the Election.**

The retired federal agent who FOIA'd Barack Obama's Selective Service Registration Form notes:

Early this year, when I first started questioning whether Obama registered I was told:  
Sir: There may be an error in his file or many other reasons why his registration cannot be confirmed on-line. However, I did confirm with our Data Management Center that he is, indeed, registered with the Selective Service System, in compliance with Federal law.

Sincerely,

Janice L. Hughes/SSS

Then, they suddenly found the record on September 9, 2008 (prior to my October 13, 2008 request), and stated that his record was filed on September 4, 1980. Did they temporarily change the date on the computer database?

On the previous FOIA response, they stated that it was filed on September 4, 1980. In my second request I mentioned that Obama could not have filed it in Hawaii on September 4, 1980 as he was attending Occidental College in California, the classes of which commenced August 24, 1980.

**\* Other Questions: Missing Selective Service Number, FOIA Response Dated Prior to FOIA Request, Missing Printout Page**

Where is Obama's Selective Service number (61-1125539-1) on the card?

And the retired federal agent notes that the Selective Service Data Management Center prepared its response to his FOIA request prior to the request having been made:

The last transaction date is 09/04/80 [DS: labeled "G"], but the date of the printout is 09/09/08 [DS: labeled "H"]. My FOIA was dated October 13 so why did they prepare the printout BEFORE I submitted my FOIA? I gave them no "heads up" that I was sending it. In fact it was not mailed until late October--around the 25th.

Also, notice the printout was page 1 of 2 [DS: labeled "I"]. Where is the other page, and what's on it?

A lot of questions here. And a lot of huge hints that this government-released, official Barack Obama Selective Service registration was faked. Either he signed the fake backdated document, or someone else faked his signature and he never registered for the draft (and lied about it).

Which is it?

It's incredible that our impending Commander-in-Chief either didn't register for the draft or did so belatedly and fraudulently.

The documents indicate it's one or the other.

**UPDATE 11/14/08:** Retired Federal Agent Source Reveals Himself:

The recently retired federal agent has requested that I disclose his identity so that there is no question as to the source of the information.

His name is Stephen Coffman. He retired last year from the position of the Resident Agent in Charge of Immigration and Customs Enforcement's (ICE) Galveston, Texas office. He has over 32 years of government service and has held a Secret or higher security clearance for the majority of those years.

He filed the FOIA with Selective Service and has the original letter and the attachments. He first notified the Selective Service of his findings and they ignored the questions.

He can be reached via email at [retirediceagent@sbcglobal.net](mailto:retirediceagent@sbcglobal.net).

Hi Laura,

I'm introducing you here to Dr. Orly Taitz. She is the lead attorney for Keyes v. Bowen and Keyes v. Obama.

Can you do me a favor? In a wiki article that references a partial list of attorneys pertaining to these cases on Natural Born Citizen, the attorneys' link goes to an odd site:

<http://www.dirking.net/dirking-1470.html>

At the top of that site is a banner with arabic. Is this an innocent ad or does it insinuate anything?

Thank you!

Hi Orly.

I have been looking into why your article on Wiki was deleted.

It seems a user going by the name of Bali ultimate started the discussion .. (see bottom of this page) seems to have Arab/Islamic connections

[http://en.wikipedia.org/w/index.php?title=Wikipedia:Articles\\_for\\_deletion/Orly\\_taitz&action=history](http://en.wikipedia.org/w/index.php?title=Wikipedia:Articles_for_deletion/Orly_taitz&action=history)

It seems Bali ultimate has an interest in ACORN (click on 'contribs' beside the Bali ultimate listing at the very bottom of the above page) Then click on 'Earlest' (bottom left corner) to get this with a lot of input on the topic of ACORN ....

<http://en.wikipedia.org/w/index.php?title=Special:Contributions&dir=prev&target=Bali+ultimate>

I then did a Google search on 'Bal ultimate' and found this ....

<http://www.google.com.au/search?hl=en&client=firefox-a&rls=org.mozilla:en-US:official&hs=vOs&q=Bali+ultimate&start=20&sa=N>

and went to this (4 down on the google list) <http://www.dirking.net/>

The forum on this site . <http://www.dirking.net/vb/> about 'Dirking' the administrator of the forum (a Tax lawyer) <http://dirking.net/page-you.html> The only other member of this forum is 'Basam' the 'Super Moderator' Here's a partial list of lawyers on the dirking site. <http://www.dirking.net/dirking-1470.html>

Hi Orly.

Here's another point that might be useful.

It is in my debate here ..... note in particular the reference made to British common law, and my response regarding eligibility for monarch of Britain is by 'born of the parents' aka jus sanguinis.

Goes like this .....

**redacted** shouldn't need to repeat the FACT that jus sanguinis was the principle that was embraced by the framers of US Constitution, the intention being for 'natural born' citizen to mean one born of parents (at least the father) who themselves were US citizens.

What do YOU THINK ' natural born' was supposed to mean to the framers, in the context of the adoption of the US Constitution and eligibility for POTUS?

It might be reasonable to consider that to the framers, those born in the newly established nation, could claim to be citizens (not 'natural born') and most likely would be recognized as such, given they and/or their parents were not British-Loyalists. .... but this has nothing to do with the Constitutional Article that is specific to qualification for POTUS.

The article of the Constitution which addresses qualification for POTUS, establishes a clear distinction between 'citizen' and 'natural-born citizen' by virtue of being mentioned.

So we have it, that at the time of the framing an adoption of the US Constitution ..... a 'citizen' (ordinary not 'natural-born') is one born to parents loyal to the new nation of USA ..... this could include parents who priorly were British Subjects.

**'Citizen' could NOT have meant one born in the land**, due to the FACT that there were many British-Loyalists and their CHILDREN still inhabiting the new found nation of USA ..... these British-Loyalists certainly did NOT consider themselves as 'citizens' of USA, they certainly did NOT consider their CHILDREN as 'citizens' of USA and they were obviously NOT considered as 'citizens' by the framers and those others who were loyal to the new born nation of USA.

**IT WAS THE LOYALTY OF THE PARENTS WHICH WAS TO BE THE CRITERIA FOR ONE TO HAVE A CLAIM OF US CITIZENSHIP TO AND BE RECOGNIZED A(ordinary)US CITIZEN.**

Therefore the common-sense principle that **was adopted and intended to determine (ordinary 'citizen')US citizenship was WITHOUT DOUBT ..... JUS SANGUINIS.**

So you ask ..... what then did 'natural-born citizen' mean?

It certainly **DID NOT MEAN born in the land**, as the only criteria. (aka jus soli)

It certainly DID NOT MEAN born to residents of the land as the only criteria.

It certainly DID NOT MEAN born in the land and to residents in the land.

It **DID MEAN born to parents** who were loyal to the new-found nation, who claimed to be and were recognized by their fellow revolutionaries as 'citizens' and intended for their children to be the inheritors and future of the nation's body populous.

**It was WITHOUT DOUBT jus sanguinis that was the principle which was used to qualify 'natural-born citizen'.**

### Barry Soetoro

Barry Soetoro was registered in a public school as an Indonesian citizen by the name of Barry Soetoro and his father was listed as Lolo Soetoro, M.A. Indonesia did not allow foreign students to attend their public schools in the late 1960's or 1970's, and any time a child was registered for a public school, the child's name and citizenship status were verified through the Indonesian Government. It appears that Soetoro became an Indonesian citizen.

These 2 screenshots of the Indonesian school registration pages show Barry Soetoro.

In the interest of our Country and in defense of our Constitution I have been assisting with Research and Investigation wherever necessary.

The records and databases I use are many and varied being accumulated for many different reasons but all are of Public Record and the documents I have used are available to the General Public, with, or without the payment of fees.
